

# Think every child matters?

## Yeah, we do too.

Every single one. That's why The Every Child Matters Education Fund is hosting a series of historic Presidential Primary Forums where the candidates will join us for one hour each at the University of New Hampshire to discuss issues critical to children, youth, and families like Child Abuse Prevention and Treatment, Children's Health, Pre-Kindergarten Education, After-School Programs, K-12 Education, and Economic Security for Families.

Our thanks to the candidates for participating.

Oct. 27 - Ambassador Carol Moseley- Braun &

Oct. 31 - Governor Howard Dean

Nov. 3 - Congressman Richard Gephardt and
